

## SORRY TO SEE STAHL LET OUT

Pres. Johnson of American League Says McAleer Acted Hastily in Letting Boston Manager Go.

NEW YORK, July 17.—Pres. B. B. Johnson of the American league, who left this city Wednesday night for Detroit, appeared both surprised and vexed to learn that Jake Stahl had been relieved of the management of the world's champion Red Sox by Pres. McAleer of the Boston club, Johnson said.

"I deeply regret that Mr. McAleer acted so hastily. There was no reason for relieving Stahl of the management of the Boston team at this time, and he was entitled to every consideration of the Boston club and the American league could give him. Stahl won the world's championship for the American league last fall, yet in spite of that fact he was released by Mr. McAleer in mid-season and right in his home city, Chicago.

"Stahl cannot be held accountable for the poor showing of the Red Sox this season. Gardner, Yerkes, Wagner, Lewis and Wood have all been out of the game due to injuries, and Stahl himself was unable to play on account of an injury to his foot. I feel that the American league may be sharply criticized for Mr. McAleer's hasty and ill-advised action, and if I had been in Chicago Tuesday Stahl would not have been let out in such a fashion. If it were absolutely necessary to put some one else in charge of the Red Sox it could have been done at the close of the season. As it is, Stahl has been humiliated in his home city and the American league has been placed in the unenviable position of dropping in mid-season a manager who won the world's championship last fall. Stahl was an honorable and competent manager and was highly esteemed in our league."

## RACES FINALLY GET UNDER WAY

The 2:05 Pace is Somewhat of a Disappointment as Walter Cochalo Comes Home the Winner.

PITTSBURGH, July 17.—After being delayed two days by rains and heavy track, the grand circuit meet at the Brunts Island track started Wednesday under ideal weather conditions.

The entire week's events had to be rearranged because of the loss of two days, and for Wednesday there were the 2:12 trot, the 2:24 trot, the 2:05 pace, the only stake race of the day and catalogued the Iron City, the 3:12 pace and the 2:09 class of side wheels.

The 2:05 was somewhat of a disappointment in the final result. Great things were expected of Longworth B., the winner of the 2:05 pace in Cleveland, and Brannan Baughman and Jones Gentry. As it was Walter Cochalo had little difficulty in taking both heat and the race. The 2:12 trot, and the 2:24 pace both went to four heats, somewhat prolonging an already long card. After winning the first heat of the 2:12 trot, Peter McCormick was in a fair way to take the second, but he broke in the stretch and O'Neill, who had been challenging him all the way, came through. The McCormick horse took the final heats handily.

The 2:24 trot in all three heats was a procession around the track, Uncle Dix taking the race in straight heats. Another four heat race was the result of Isaac B. going up in the air in the stretch in the 2:12 pace, letting Ellsworth B. through. In the other two heats Ellsworth B. had it all her own way.

Ariene took the 2:09 pace in straight heats. There was little to pick from the rest of the field.

## NO ADDITIONS TO CENTRAL LEAGUE

Erie and Youngstown Spoken of as New Members But the Jumps Would Eat All the Profits.

Now that four teams in the Interstate league have gone down and out, rumor has it that Erie and Youngstown may be taken into the Central and make an eight-club circuit out of it.

"No chance," is the general opinion of the Heilbroner managers. Arrangements have already been made by the four remaining clubs in the Interstate to battle through the rest of the season so it is hardly probable that the Sailors and Steelmakers will want to get into their former places. In spite of the fact that Wheeling has been a losing proposition this year, the owners are going to stay a little while longer. Erie, Youngstown and Akron are still in the running with Wheeling.

One of the main difficulties that would go with the receiving of Erie and Youngstown into the Heilbroner league would be the placing of the two clubs in the percentage column. Another thing would be the big jumps that would be required. It would be almost impossible to move from Erie to Evansville between games and the mileage would consume all of the profits. After all, there is a sort of hard feeling between the Central and the Interstate. It was brought out more plainly than ever when the teams realized there was going to be a break. Most of the clubs offered their stars for sale in an effort to make up some of the loss. There were only two clubs in the Central which received players in this way.

MUNCIE, Ind., July 17.—Despite the down-pour of rain that broke on the Delaware Country club links early Wednesday morning, the 32 contestants in the state golf tourney were able to go 18 holes Wednesday afternoon.

The creek which runs through the south end of the course overflowed and covered the entire south end of the course so that three holes were abandoned. The six holes in which play was available added almost 900 yards to the 18 holes and together with the fact that the ground was filled with water nothing but medium scores were turned in. CLEVELAND, July 17.—New York and Cleveland divided a double header here Wednesday, Cleveland winning the first game 5 to 0 and losing the second 4 to 2.
